SUBJECT: Care Packages While Deployed From the NCOA Rogue Chapter

NCOA Rogue Chapter members,

Thank you for the wonderful items that you sent to us. We are very grateful for all the support. As many of you know deployments bring with them many unique circumstances and challenges. Knowing that we have the support from other members of our communities all across Southern Oregon is wonderful. We have a mix of Soldiers from all over the state and even have a Soldier from Washington. Whenever packages like the ones you sent come in we see a noticeable increase in the morale and welfare of our Soldiers. This makes our ability to accomplish our mission and maintain a positive attitude easier. This makes my job as the Quick Reaction Force Platoon Sergeant much easier. I wanted to personally thank you for doing such an outstanding job in support of myself, and the Soldiers of my unit with these kind donations. Please express our feeling of gratitude to all members of the NCOA Rogue Chapter.

Fellow Service member:

Having spent 30 years in service to my country and having spent time deployed to a combat zone, I know how important it is to receive support from home. With that in mind, is there anything special that we can send to you or do for you that you can't or don't get where you are currently stationed?

Please list suggestions below and return in the envelope provided.

Mr Haines,

I want to thank you for the time it takes to prepare those packages and the resources that go into sending these things to us. I can only assume that you send more packages than you receive thanks for. It truly does make the time go by a bit easier. This is my 4th deployment in my 19+ years of service with most of my OCONUS time in dangerous areas of operation. Thank you for making the last deployment of my career a little bit better.
